THE NEWSLETTER OF NOTRE DAME HIGH SCHOOL | FAIRFIELD, CONNECTICUT | FALL 2017

## Dear ND Family,

*Our academic year is off to an exciting start.*

With a student body exceeding our goal of 520 students, we welcomed a freshman class of 141—our largest incoming class in many years. It was extremely motivating to see so many new faces on the first day of school.

With a new and ambitious Strategic Plan to guide our planning and growth, the future of Notre Dame is truly bright. We have already hit the ground running with many ideas and new initiatives. Utilizing the talents of all of those in our building—students, faculty and parents—we will no doubt continue to provide an excellent Catholic education while building character, faith and intellect in each student.

*Chris Cipriano*

## Link Welcomes Class of 2021

*Students heading into their first year of high school can be overwhelmed with excitement—and just a smidge of trepidation.*

There are schedules to keep, locker combinations to memorize—not to mention a slew of new faces and potential friends.

Enter Link Crew, Notre Dame's three-year-old orientation program that pairs freshmen with upperclass mentors to help make the transition to high school as smooth as possible.

"Starting high school can be really stressful," says Ms. Joanna Cipriano, who oversees the popular program with fellow teacher Ms. Jessica Medoff. "Link Crew works because it is structured and fun at the same time."

This year, Link Crew held its annual first-day welcome for the Class of 2021, cheering and high-fiving the 141 freshmen, the largest incoming class in years.

From there, the day was spent on games and upbeat activities to help freshmen relax, be themselves and get to know one another. School tours helped acclimate them to their new academic home.

The 40 mentors were chosen through an application, essay and interview process to make sure each was committed to the program.

The Link program grows with each class, Ms. Cipriano said. The one-day event has evolved into a support system that carries through the whole year, including the freshmen social, a movie night and a midterm exam study session.

"We look forward to working with our Link Leaders to make the program even better for our freshmen," she says.

Link Crew's success comes at a great time for Director of Admissions Gaetano Marra, who recorded a 40 percent increase in class size from just seven years ago when ND welcomed 87 freshmen.

Students in the Class of 2021 hail from more than 35 different communities, he says.

Fourteen of the freshmen were accepted into the Distinguished Scholars Program (DSP). Now in its second year, this comprehensive, four-year high

# Spotlight on . . .

## Student Achievement

### SHU JOURNEY PROGRAM

Six Notre Dame students participated in the second Sacred Heart University Journey program—a six-day residential summer experience “of faith education, self-discovery, and enjoyment for high school youth.” Students were led in an exploration of faith. In small group conversations, they learned about themselves and “real life issues, in sharing profound prayer, liturgies, and excellent music, providing service in the community, hearing famous Catholic leaders whose wisdom and experience expanded the understanding of faith.” Twenty-four high school students attended. Notre Dame participants—all of whom gave the program rave reviews—were Emma Sweeney '18, Jared Sullivan '18, Olivia Ramos '19, Brianna Perez '19, Brendan Williams '20 and Sierra O'Keefe '18. The Journey program was coordinated by Notre Dame graduate and Sacred Heart University faculty member Dr. Michelle Loris '64.

Student participants in the summer's SHU Journey program

Diocese of Bridgeport High School Apostles program

### STEUBENVILLE YOUTH CONFERENCE

The Steubenville Youth Conference took place at St John's University in July. Sierra O'Keefe '18 and Jenna Sabia '19 represented ND. There were many students from the Diocese of Bridgeport High School Apostles. O'Keefe described the conference as a Catholic youth conference where over 2,000 teens spent their days in a huge arena celebrating Mass, attending adoration, participating in Christian music and meeting in large and small groups. The discussion groups were led by Life Teen—a movement within the Roman Catholic Church, which leads teenagers and their families into a deeper relationship with Jesus Christ and His Church—and the theme was ‘letting God renew us, so we may be elevated.’ “It gave me an opportunity to really grown in my faith and connect with God,” says Sabia.

## The Arts

### NOTRE DAME THEATRE EARNS 2017 HALO AWARD

For the second year in a row, Notre Dame's student performers, singers and artists left their mark at the annual Halo Awards. Notre Dame's Tony Addorisio '17 took home the title of Best Performance by a Featured Actor in a Musical. The graduating senior played Thénardier in Notre Dame's spring production of *Les Misérables*.

In addition to Addorisio, Notre Dame students earned several nominations, which are based on judges' reports. Judges' reports are compared across the entire pool of competing schools.

THE NOMINATIONS FROM NOTRE DAME INCLUDED THE FOLLOWING STUDENTS:

- Best Performance by a Featured Actor in a Musical: Paul Keegan '19 as Enjolras in *Les Misérables*
- Best Performance by a Featured Actress in a Musical: Chelsea Ortiz '17 as Eponine in *Les Misérables*
- Best Comic Female Performance in a Musical: Meredith McDonald '19 as Madame Thénardier in *Les Misérables*
- Best Original Program Cover Design or Artwork: Mary McGuire '18, Rosemary O'Mahony '18, Leanne Onofrio '19 in *Les Misérables*

The cast of Notre Dame's *Les Misérables*.

- Best Specialty Ensemble in a Musical: Notre Dame's Enjolras & Chorus for “Do You Hear The People Sing” in *Les Misérables*
- Best Chorus: Notre Dame's *Les Misérables*
- Best Contemporary Musical: Notre Dame's *Les Misérables*

The Halo Award is a premier state-wide competition, sponsored by Waterbury's Seven Angels Theatre. The event honors Connecticut theatre students from more than 60 high schools for their excellent work in school theatre productions. This year's 13th annual awards show was held May 31 and June 1 at the Palace Theatre in Waterbury.

## BUILDING INTELLECT

# Staff News

### WELCOME ASSISTANT PRINCIPAL SCOTT BANNON '92

**TO SAY THAT NEWLY APPOINTED ASSISTANT PRINCIPAL** Scott Bannon has a wealth of ties to Notre Dame is an understatement.

His parents met at ND, Class of 1965. His brother Sean is an alumnus, as is he. And this fall, his son, Timothy, joined the freshman class.

"I was excited when I heard about this position opening, largely because it was Notre Dame, and it

is an opportunity to go back to the school I love so dearly," he says, adding that ND's mission statement—focused on the three pillars of character, faith and academic intellect—was another major draw.

Mr. Bannon is a proud product of Catholic education. Besides Notre Dame, he attended St. Ann's School in Bridgeport and Sacred Heart University in Fairfield. He has spent 19 years working in education, as a teacher, assistant principal, and finally principal at St. Joseph School (PK-8) in Brookfield.

"There will definitely be a learning curve in the transition to high school, and I plan to go into this position with open ears and gather as much information as possible from the students, parents and staff."

Principal Chris Cipriano has high praise for the latest member of his management team. "I am excited to welcome Scott back to the Notre Dame community," he says. "As a graduate and now a current parent, he has two unique perspectives from which to help lead Notre Dame in a positive direction. He brings a passion for students and their learning and a commitment to continue to move the ND mission forward. I have no doubt he is going to make an excellent addition to the school's administrative team."

### NEW SCIENCE CHAIR KATHY ALMEIDA '72

**SCIENCE TEACHER MRS. KATHY (DONOVAN) ALMEIDA '72** has been appointed to the position of chair of the science department. She joined the Notre Dame science faculty two years ago, shortly after her sons David '05 and Alex '09 graduated. Previously, she taught for many years at Assumption Catholic School in Fairfield.

The Notre Dame science faculty has been incorporating more STEM (science, technology, engineering, and math) lessons and activities into the science curriculum, and Mrs. Almeida and the staff plan to continue in that direction. The goal is to help students understand how all the sciences overlap . . . and how they impact other areas of life as well. The curriculum encompasses other disciplines, such as English, she adds, because students are expected to research a topic and construct written or oral explanations, based on valid and reliable evidence from a variety of scientific sources, when communicating the results of a project.

"Students might be asked to design and build a roller coaster in order to better understand Newton's law of physics, for example, or to design a DNA molecule and build in a mutation, then explain whether the organism would be affected positively, negatively, or not at all by that mutation," she explains. The idea is to make learning more hands-on and student-centered. "When students become responsible for their own learning, it engages them and they discover more on their own, which leads to a greater understanding of difficult science concepts."

### DEACON JOHN DITARANTO

The ND community welcomes Deacon John DiTaranto as the school's new Episcopal Deacon Chaplain. Deacon John is working

hands on with students and staff to support and grow the faith community. Bringing a unique perspective to this position—as an ordained deacon, but also a parent of high school-aged students, Deacon John shares the love of his faith with students while supporting the entire ND family.

### MARY ELLEN SKAWINSKI

Ms. Mary Ellen Skawinski has joined the English Department and teaches English 2, 3 and 4.

### DON MASCOLA

Mr. Don Mascola has joined the Science Department and is teaching chemistry.

### SHANNON FIGUEROA

Ms. Shannon Figueroa has joined the Science Department as an integrated science and biology teacher.

## A Chapel Redesign Brings New Beauty to a Sacred Place

THIS FALL, THE NOTRE DAME COMMUNITY WILL ENJOY A BEAUTIFULLY RENOVATED CHAPEL SPACE THANKS TO THE EFFORTS OF FATHER LUKE SUAREZ.

**PRIOR TO LEAVING HIS POSITION AS NOTRE DAME CHAPLAIN,** Fr. Luke Suarez spent weeks creating a legacy for current and future students by designing the chapel's new interior and hand-crafting the elements. Using his father's woodworking shop in Virginia, Fr. Suarez built the main retablo, the new altar and side shrines to hold the statues of Our Lady and St. Joseph. He also worked long hours to paint the chapel and install the pieces himself.

One notable feature of the chapel's redesigned interior is the tabernacle containing the Blessed Sacrament, which has now been moved to a more visually prominent place in the chapel's center. The overall result of the renovation is a place of worship that feels warmly inviting as a space where everyone in the Notre Dame community feels inspired to pray, reflect or simply sit in peace. Bishop Caggiano consecrated the Chapel and altar during a Mass for the school community on October 5.

*It was a sincere privilege to have had a role in the completion of the most recent renovation at Notre Dame, which is dedicated to Our Lady, with Jesus in the Eucharist placed at the center of the chapel. Special thanks are due to Bishop Caggiano, whose generosity made the project possible, my family, who helped design and build the project at the Suarez home in Virginia, Notre Dame seniors Lucy Grant and Suzanne Alexopoulos, who volunteered to help re-paint the chapel, and the former Notre Dame Chaplains, Fr. Paul Check, Fr. Ciprian Bejan and Fr. Peter Cipriani, along with an ND family (the Vayda family), who donated the new statue of Mary entitled, "Our Lady of Peace."*

*Many blessings,  
Fr. Suarez*

### COVER STORY CONTINUED

## Link Welcomes Class of 2021

honors program already includes nine sophomores.

Any student can apply for the program. Students are chosen based on middle school grades, a letter of recommendation from a teacher or administrator, entrance exam scores, an essay and an interview.

DSP students take all high honors courses and commit to two years of Latin, said Academic Dean Dr. Mary Callaghan, the program's director.

"Rather than an atmosphere of 'cut-throat competition'—which they admitted they were afraid would be the norm—they discovered a climate of mutual encouragement and pride in each other's

accomplishments," she says of the first class. "They have forged a deep bond with each other which, we hope and trust, will only deepen throughout their four years at Notre Dame."

Class of 2020 DSP students have also become very involved in extracurricular activities and service, which enriches school life for all, she says.

Mr. Marra says he believes the year ahead looks bright.

"We have tremendous leadership here at ND," he says. "They are committed to helping kids achieve their very best, be it spiritually, in the classroom, on the field or on the stage."

# Sports

NOTRE DAME FOOTBALL  
Ready for action this fall

## BASKETBALL

### Coach of the Year

Congratulations to basketball coach Chris Watts, who coached the boys' team to the SWC championship, Class L title game last season and was named Coach of the Year by the *Connecticut Post*. Coach Watts joined ND athletics just last year after four years as head coach at St. Joseph's in Trumbull.

"It's never easy to come in your first year and have the success he's had," says Athletics Director Rob Bleggi '93. "There were a lot of expectations, a lot of pressure, but he did a great job and he's well-deserving of this honor."

## HOCKEY

### Longo Named Hockey Coach

Growing up, Johnny Longo was a standout hockey player at Fairfield Prep, but he kept his eye on Notre Dame. "It was one of the top two or three programs in the state," he says.

Now, Longo is stepping up to accept the position of hockey coach at Notre Dame-Fairfield, where he intends to bring all of his playing and coaching experience to the school's team.

Longo finished his secondary education at Taft before moving on to the University of Vermont. Following college graduation, he played in the ECHL and trained with the Bridgeport Sound Tigers, before finishing his hockey career with the Stockton Thunder in 2006. Since then, he has worked with local teams and individual athletes through his Strength Academy at Shelton's Sports Center of Connecticut.

"At Notre Dame, there's a very rich tradition of hockey," Longo says. "I think this is a great opportunity."

## IN THE COMMUNITY

# Notre Dame's First Bacon and Brew Fest

Bacon lovers of all ages flocked to campus for tastings and more at Notre Dame's first-ever Bacon and Brew Fest.

**THE DAY INCLUDED FOOD TRUCKS**, live music, games and hundreds of delicious, bacon-laden food samples. The one dozen beer brewers featured local companies from Stratford, Branford and more.

"We were thrilled with the turnout, the food, and everything about the day," says Theresa Marzik, director of advancement. "This new event brought everyone together

on a Saturday to simply enjoy each other's company and to support Notre Dame." More than 250 alumni, families and friends—happily, more than expected—attended the event. "We couldn't have done this without our great group of volunteers who worked tirelessly through every stage of the planning, hosting, and cleanup. I'm so thankful to everyone!" Mrs. Marzik adds. All

proceeds benefit the students and programs of Notre Dame.

**SAVE THE DATE FOR NEXT YEAR'S BACON AND BREW: JUNE 9, 2018**

If you are interested in volunteering or know of any food trucks or breweries that can participate, please contact Mrs. Marzik in the Advancement office at [tmarzik@notredame.org](mailto:tmarzik@notredame.org).

# Notre Dame Graduates 113

In his graduation address on June 2, Principal Christopher Cipriano expressed his hope that the 113 members of the Class of 2017—representing 21 cities and towns, as well as Spain, China and Brazil—would continue to work to better the lives of those less fortunate.

"No matter where your upcoming journey takes you, be true to yourself, live your faith, remember where you came from, find your inspiration and don't hesitate to extend your hand to those in need," he said. "Always remember the Notre Dame motto: Be an Imitator of Christ."

Also addressing the students was valedictorian Olivia Keden '17 of Easton, a member of the National and Spanish Honor Societies. She now attends the University of Michigan. Olivia made her mark during her four years at Notre Dame. Most notably, she was Notre Dame's first student to spend a semester abroad. For several months, she lived with a family in Rome, studied at the International School, and took in the history of the city. On campus, Olivia served as freshman and sophomore class vice president and as junior and senior class president. Olivia was also a member of the Drama Club, with leading roles in several spring musicals. She played on both the varsity volleyball and lacrosse teams, served as lacrosse captain and was involved with Campus Ministry, traveling to Appalachia.

Also addressing the students at graduation were Fairfield Town Clerk Betsy Browne '88, the Superintendent of Schools for the Diocese of Bridgeport Dr. Steven Cheeseman and Notre Dame President Emeritus Fr. Bill Sangiovanni, who announced grants and scholarships received by the class. This year, the total exceeded \$21 million, a school record.

The Class of 2017's Outstanding Senior Award went to Joshua Jeudy '17, who now attends Salve Regina University.

Salutatorian Celine Samrin, a member of the National and Spanish Honor Societies, now attends Sacred Heart University where she is pursuing a double major in accounting and finance. At Notre Dame, Celine served as president of the National Honor Society and vice president of the Spanish Honor Society, in addition to her leadership in the Spanish Club. She also participated in the Key, Spanish and Care Clubs and Campus Ministry.

## ALUMNI NEWS

AT LEFT Mary Callaghan, Joanna Cipriano, Sue McGowan, and Maris Bogan;  
AT RIGHT Joe Shea, Terry (Finnegan '78) Garrett and Bob Shea '80

## Fore!

Blue skies over the Great River Golf Club made for a fun and highly successful 17th annual Lancer Open on September 11.

**100 GOLFERS, INCLUDING ALUMNI** from 14 classes, teed off in this year's tournament with the biggest representation coming from seven members of the Class of 1979.

"We were blessed to have a beautiful day to golf and support our students," says Lancer Open Chair Theresa Marzik, Notre Dame's director of advancement. "The Lancer Open is a great tradition at Notre Dame, one that Bob Shea would be very proud of."

Each year, the Lancer Open is held in memory of Shea, an active fundraiser and loyal supporter of the ND community for more than 25 years. Shea gave endless hours to enhance the financial and educational status of the school until his death on February 18, 2000. His legacy—and that of his loving wife, Isabel Shea—lives on through the Lancer Open, which raises money for the Bob Shea Scholarship presented each year to a graduating Notre Dame senior.

The 2017 Open started with a moment of silence remembering the victims of the September 11, 2001 terror attacks. From there, the day continued with a spirited round of golf, a cocktail hour and dinner.

Mrs. Marzik thanked Jim Olayos, director of athletic advancement, and Bill Miko '70, as well as all the volunteers for their tireless assistance. Top sponsors for the day included the Colon Family Education Foundation, Carl Anthony Trattoria (Sam DeVellis '92), Steve Keating/Keating Associates, The Wetmore/DiCamillo Family, Merritt Contractors (Bill '70 and Judy Miko) and Sacred Heart University.

See you in September 2018!

PUTTING GREEN CONTEST

# Lasting Legacy

When Assistant Principal Carl Philipp retired in June, he made sure to say he didn't want a party or presents celebrating his 52-years at Notre Dame.

School officials honored his wishes—but got busy finding a more lasting way to honor the longtime teacher and administrator. They are happy to announce the establishment of the **CARL PHILIPP SCHOLARSHIP**, which will now be given each year to a worthy student with financial need.

"He is certainly the epitome of dedication to the school, loyalty to the school," Principal Christopher Cipriano says of Mr. Philipp. "He really, really loves Notre Dame. In fact, a claim to fame is that Carl has attended every single graduation in the history of the school."

Mr. Philipp came on board as a foreign language teacher in 1965, helping his

students grasp both Spanish and Latin, Mr. Cipriano says. He served as assistant principal for more than three decades, shaping the lives of hundreds of Notre Dame students and offering a rich perspective on the school's evolution. "He's the school's historian," says Theresa Marzik, director of advancement. "You could go to him for anything you need to know about Notre Dame's past. He knows it all."

The new scholarship started with a collection from staff and faculty to get things rolling. The suggested donation was \$52 to commemorate each of Mr. Philipp's years at Notre Dame. Marzik said the initial fund reached \$1,500.

The Carl Philipp Scholarship is added to the list of already established scholarships named in honor or memory of past faculty members including:

- Sister Marion Rielly
- Richard "Duke" LaTorre
- Charlotte Ebling
- Armand Fabbri
- Fr. Bill Sangiovanni/Jacobs Ladder
- Lou Saccone
- Carole Christy Surina
- Steve Nemergut
- Silvia Muniz
- Rob DeSimone

INFORMATION ABOUT THE NEW CARL Philipp Scholarship (and other scholarships) is available at the school website, [notredame.org](http://notredame.org) under "Support ND."

## Do you know an Notre Dame alum who has gone on to greatness?

**APPLICATIONS ARE AVAILABLE NOW FOR 2018** nominees to the Notre Dame Alumni Hall of Fame. A nomination is the perfect way to shine a spotlight on Lancers who've truly made a difference in their community—or around the world.

"It allows us to honor graduates for their professional or volunteer life after Notre Dame," says Principal Christopher Cipriano. "We've honored military veterans, CEOs, elected representatives . . . Inductees have come from as far away as Michigan and California."

Established in 2014, the Alumni Hall of Fame recognizes individuals who have—through their performance, conduct and achievement—brought credit and honor to themselves and the Notre Dame community.

It is hoped their public example will serve to inspire future graduates to perform and serve in the same spirit.

Applications for the 2018 inductees are due November 17. Those chosen for the Hall of Fame will be celebrated at the 7th annual Lancer Legacy Gala at Sacred Heart University on March 10, 2018.

### WANT TO KNOW WHO IS ALREADY IN THE HALL?

Past honorees are Daniel Augustine '70, Bernadette Baldino '67, Stephen Cavallo '65, Michael Clancy '80, Louis DiPalma '79, John Hardiman '75, Christine Mahoney Hughes '71, Thomas Intelisano '73, Noreen Swaller Kokoruda '65, Frank Martire '65, Anita McBride '77, Michael McCann '63, Thomas McCarthy '92, Garrett Mendez '05, Hugh Narcisco '80 and Dawn Pilotti '92.

NOMINEE CRITERIA AND THE APPLICATION FORM are available at [www.notredame.org](http://www.notredame.org).
